SECTION	2. APPLICATION CONTENT.
c	What is the proposal's objective? The objective must describe the intended benefits to a specific community/group of people or organizations/institutional changes that are to be realized through one or more development interventions. Please apply SMART (specific, measurable, attainable, realistic, time-bound) criteria. [For more information, see the FAQs]
a iı	Dutcome indicators. Please define three key project-level results indicators that will measure the achievement of the proposal's development objective, as defined above. This type of indicators are ntended to measure the uptake, adoption and use of outputs by the target group within the project beriod. You will be asked to develop a detailed results framework if the proposal is selected.
ր t f	Briefly describe the country context and the institutional and sector contexts relevant to the broposal's objectives. Why is this proposal important in the country? What is the government doing to address the above mentioned challenges? Which public sector institutions will use the project's feedback? If you have already engaged with these public sector institutions, please explain. How are you planning to engage with public sector institutions during the project?

4.	Beneficiaries. Describe the proposal's primary and secondary beneficiaries. How will the proposal benefit poor and vulnerable groups (children, women, marginalized groups, disabled people, people living with HIV, etc.)? Will you carry out any specific activities to better understand and address these groups' needs and gaps? Please explain how).
5.	What is the proposal's geographic scope? If it is both national and sub-national, please explain and provide information that will help us to understand the proposal's geographic scope in relation to the country's total population and administrative/political organization.
6.	Proposal's description. Please describe the proposed collaborative social accountability approach [See FAQs for additional guiding questions about collaborative social accountability] Be as clear as possible about how the GPSA's support will add value or make a difference to the support you're already receiving from other donors.

7.	Components & Activities . Please define the proposal's main components and under each component the main planned activities. Briefly explain the logic behind the proposed implementation design and sequence. Please note that all GPSA-supported projects include one Knowledge & Learning component
8.	Sustainability. In which ways will the proposed implementation approach be sustained overtime, after the project's closing? Please also explain how the approach will be expanded or scaled up.
9.	Risks. Please identify and briefly describe the main risks to achieving the proposal's objectives. Risk types include but are not limited to: political/governance, macroeconomic, sector strategies and policies, technical design of project, institutional capacity for implementation and sustainability, fiduciary, environment and social, and stakeholders. Please describe all that apply. For each type of risk, please include 1-2 sentences with the measures proposed for mitigating it.

10. Institutional and implementation arrangements. Please explain the proposal's implementation scheme, including each implementation partners' main roles and responsibilities. Provide 1-2 sentences about the partner(s) organization's experience. Please indicate how are you planning to engage with public sector institutions during project implementation, including collaboration/cooperation arrangements. Please also describe Sequencing of activities as planned.
11. Budget. Describe the proposal's main types of expenses, including estimated breakdown for each
 component by category and a brief explanation. If the proposal is pre-selected, you will be asked to prepare a detailed budget. For each component, please break down the expenses in the following categories: a. Project management & personnel b. Training/capacity development c. Consultancies (individual and firms/organizations) d. Goods & services
e. Amount transfered to partner CSO(s)
12. Project team. Please provide a brief description of the team behind this proposal, including if you already have identified the future project director or manager, and other key positions, time dedication and main responsibilities. If there are positions yet to be recruited, please indicate so. Also explain your expectations in terms of distribution of labor and coordination with any partner CSO(s).
