# 7th GPSA Global Partners Forum

## Social Accountability for Integrity in COVID-19 Financing

Rosalind McKenna, Public Health Program, Open Society Foundations  
[rosalind.mckenna@opensocietyfoundations.org](mailto:rosalind.mckenna@opensocietyfoundations.org)

## **Open Society Foundations**

- **Accountability as a democratic governance issue**
- **Centering civil society in accountability efforts**

## **Reflections pre-COVID-19**

- Health groups bridging the gap to accountability efforts**
- Connecting global processes and national implementation**
- The funding gap**

## **Lessons from COVID-19**

- **A rush of financing and a need for procurement oversight**
- **Country lessons**
- **Institutionalizing approaches and resources**

## **Looking forward**

- **Vaccine programs**
- **Health systems and fiscal space**
- **Institutionalizing support for civil society – IDA20**
